to notice already the Revenue account of the current year is likely to result in a deficit of over Rs 5 lakhs even assuming that the revenue anticipations will be realized and that no further additional grants or new items of expenditure will be allowed. Sanction of additional grant, under such circumstances, for schemes of an optional or deferrable character is not possible or desirable. Rs 25,000 has been provided in the current year's budget for acquiring the land on which the Whitehead Syndicate was located and further acquisition has to be deferred at least till next year in the financial interests of Government.
